## 3. Website changes

Ozonfix.ro reserves the right to suspend, modify, add or delete at any time fragments of its content. Moreover, ozonfix.ro reserves the right to restrict user access to some or all its content.

## 4. Private life

### 4.1. General information

Ozonfix.ro respects your right to private life and your personal data that are shared with us by using this website. This information have the role to notify you about the type of personal identification data is collected from you, in which way and how we could use your data, how we understand to protect your data , who has access to this data and how can the information collected can be amended should inaccuracies occur.

Ozonfix.ro respects Romanian legislation, in this case Law no. 677/2001 regarding persons' protection with respect to the personal data processing and free circulation of these data, with the subsequent changes and additions, and of Law no. 506/2004 regarding personal data processing and the protection of privacy in the telecommunications sector.

According to law no. 677/2001, you are entitled to access, choose to intervene on the data collected, have the right to not be subjected to an individual decision and the right to address the court of justice. Moreover, you have the right to oppose personal data processing and request that is removed. To exercise this right, please make a written request to [office@ozonfix.ro](mailto:office@ozonfix.ro).

The purpose of data collection is to better facilitate the access to your account on our site ozonfix.ro and the possibility of the product delivery in optimal conditions.

The purpose of ozonfix.ro access to the data storage in your computer (cookie) is to better personalize the content displayed – for example keeping personalized settings for each user, login for comments or setting up user profiles (without a specific user or device identified) for marketing purposes.

The purpose of third advertising network access to the data storage in your computer (cookies) is web marketing – for example to display relevant ads to users and setting up user profiles (without a specific user or device identified) for marketing purposes.

Other third parties, like the ones that collect data traffic or the ones that belong to social media integrated on ozonfix.ro site can use cookies with the purpose of traffic data collection or respectively to permit the sharing of content with the specific social media network.

Users who don't want third parties to access the data stored in your computer (cookies) can use the browser settings to delete or block them. The main three browsers that allow users to delete cookies are:

- Internet Explorer – <http://support.microsoft.com/kb/278835/ro>
- Mozilla Firefox – <http://support.mozilla.org/ro/kb/cookie-urile>
- Google Chrome – <http://support.google.com/chrome/bin/answer.py?hl=ro&answer=95647>

#### **4.2. What type of information do we collect?**

Ozonfix.ro collects user information in three ways – straight from the user, from the reports of data traffic from the servers that host our website and through cookies.

The user information collected from the user himself: when you order a product, we require your name, email address and can ask for other personal information. These types of information are not shared with any third party.

Information from the server traffic report: when you visit a website, you reveal information about yourself such as IP address, the time of visit, the location from which you visited our site. Ozonfix.ro stores these data for a limited period of time only. We use specialized external data traffic sites such as Google Analytics. Visitor Analytics. We don't use traffic data to identify people through IP address, just for aggregate data study only.

Cookies: To offer a personalized service for our website users, ozonfix.ro can use cookies to facilitate the access to your account and to its benefits. Furthermore, third online advertising parties which carry out promotions on our site can use cookies to better adapt ads based on your preferences.

Cookies are ".txt" type files which are offered by your browser by a web server that then stocks them on your hard disk. Using cookies is a current standard for most important sites you visit.

Most browsers are set up to accept cookies. If you do not wish to accept cookies you can reset your browser to notify you every time you receive a cookie, or accept or deny cookies. Cookies allow us to save your access passwords and your preferences so that you don't need to register them next time you visit us.

### **4.3. How do we protect the data collected from you?**

The protection and confidentiality of the data collected from you is of utmost importance for us. We do not offer personal data to third parties without your prior expressed consent. Any type of statistical data regarding our user traffic which we offer to third advertising networks or partnering sites is provided as a set of data and does not include elements of personal identification and cannot be linked to a specific user.

Your access to certain services and information within the site is protected by a password.

The moment we receive your personal information, we can guarantee that every effort will be made to secure the information in our system, according to the legislation applicable in Romania.

### **4 . 4 Who has access to the data collected from you?**

Ozonfix.ro will not reveal any type of identification information about its users to third parties without receiving prior expressed consent regarding this issue from its users.

In conclusion, when you access ozonfix.ro and are asked to reveal personal information about yourselves, you will reveal them only to ozonfix.ro website.

## **5. Amendment of present Terms and conditions**

Ozonfix.ro reserves the right to change these terms, by modifying the version and the date of the adoption of the new regulation without the completion of other formalities. When these terms are changed ozonfix.ro will notify you via email. Site access, through your user account and the use of our services after the notification or display of the link regarding these changes on the main page of the site implies consent of the new terms and conditions.

## **6. Governing law**

The party's rights and obligations imposed by the present terms and conditions, as well as all legal effects this contract produces will be interpreted and governed by Romanian law in force.
